Inspired Technology

Designer technology for the resolute

My dreams are to make yours reality. With the *küschall R33*, I combined state-of-the-art technology and revolutionary design to create a wheelchair for the champion within all of us. The *R33* is passion: my passion for success and victory.

Rainer Küschall

Experience
the new,
revolutionary
shock absorbing
system.

küschall R33

The future starts
with today's
technology.

küschall R33

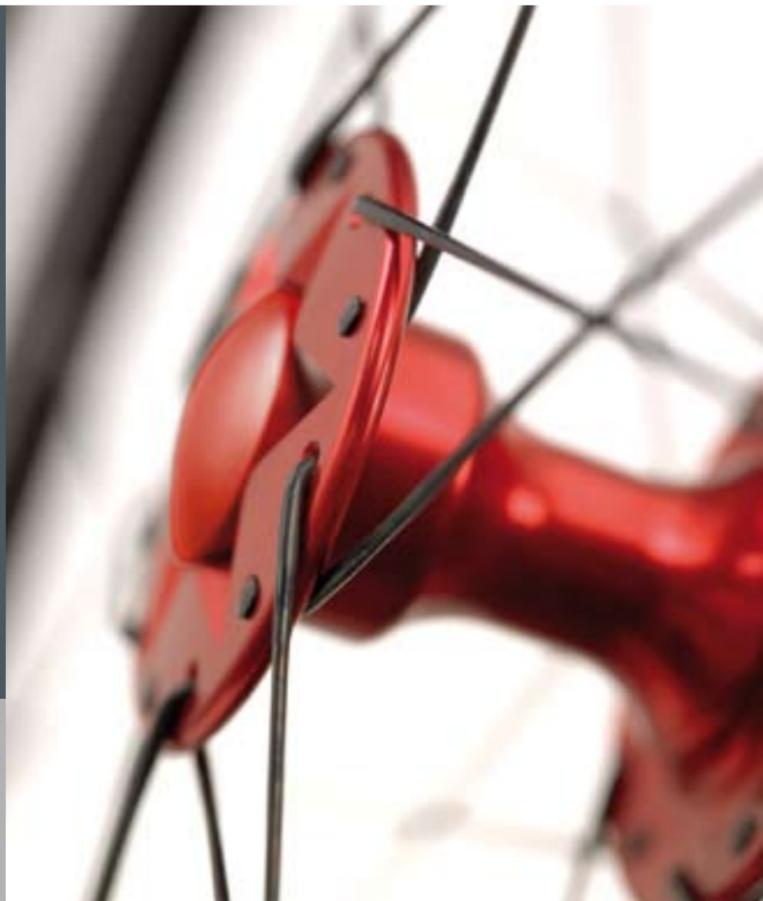

The difference
lies in detail.

küschall R33

A powerful
design for
performance
leaves a lasting
impression.

küschall R33

More than just a
wheelchair

küschall R33

Because style is
just as important
as performance.

küschall R33

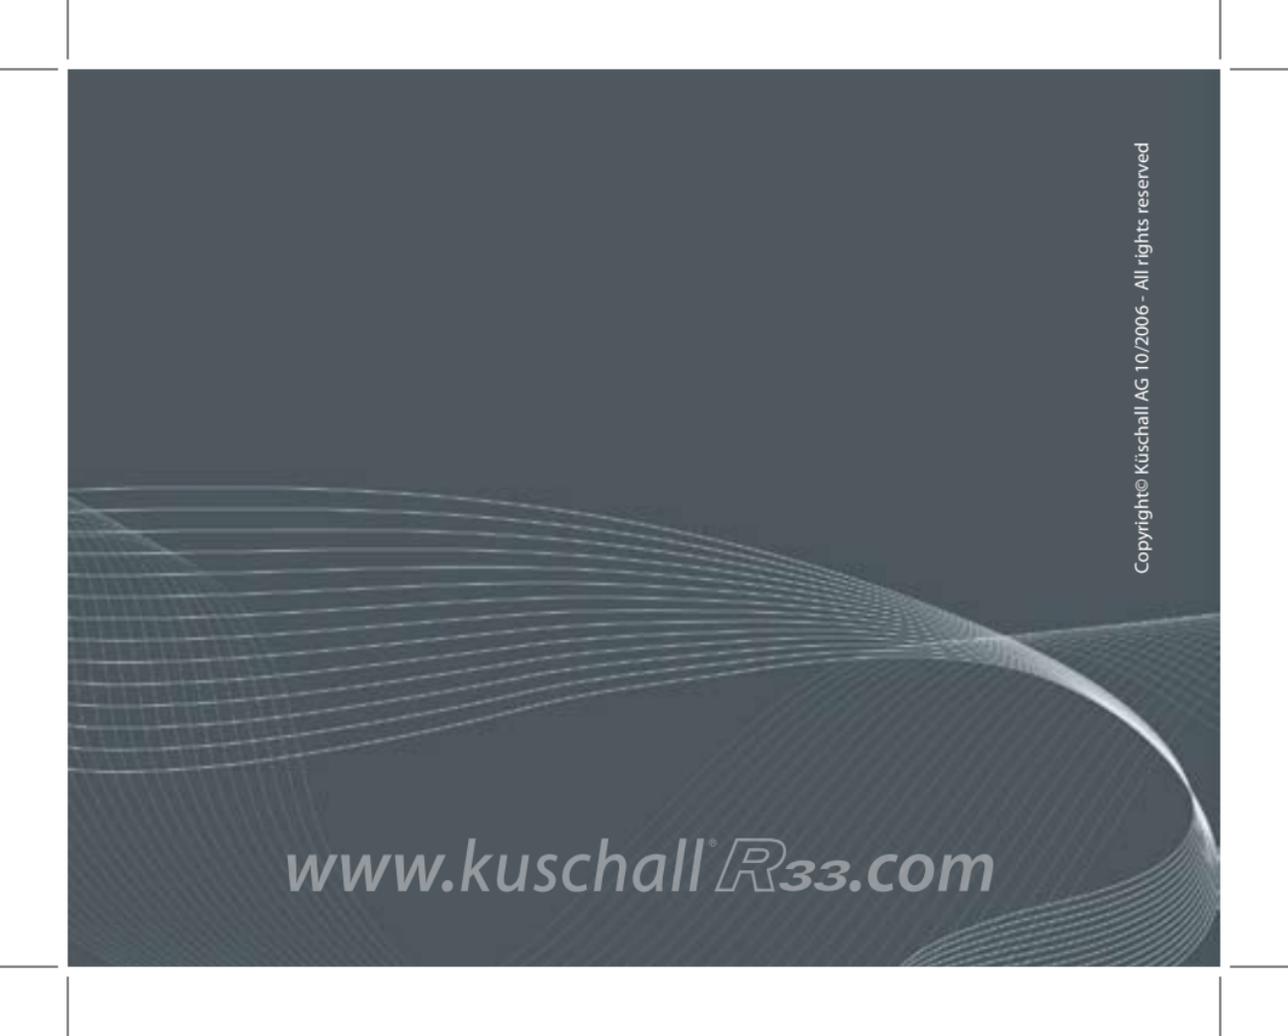

LMS Engineering:
The cutting edge
of technology

küschall R33

Driving
performance
at its best.
