

# Make your mark!

Customise your chair and express your individual style. Thanks to its modular concept, the Storm<sup>4</sup> adapts to your specific requirements. The seat and back rest can be configured offering a wide range of adjustability, so choose what's more comfortable for you. The Storm<sup>4</sup> offers excellent driving features and our range of cushion types, head and arm rests means you can achieve simply the best fit.

A flavour of what the Invacare Storm<sup>4</sup> can offer you...

### In the spotlight.

Modern LED lights combine contemporary design and functionality providing strong, bright lights for a safer drive.

### Hit the road in style.

Our driving unit gets a makeover. Choose from a range of shades for the shrouds, upholstery and swing arms.

### Mix and match.

Attractive, interchangeable shroud colours and decals for the swing arms.

To discover the whole range of options and accessories offered by the Storm<sup>4</sup>, please contact your nearest dealer or visit our website.

# Simply the best fit!

Yes, you can.<sup>®</sup>

# Take centre stage

The contemporary design of the Storm<sup>4</sup> enhances its robust construction and great driving performance.

# Bring it to the table!

With a lower seat-to-floor height, the Storm<sup>4</sup> allows more accessibility to tables and makes transportation easier.

# Reach new heights

The new and elegant stable column lift gives you more accessibility to higher objects. Rise up and make eye contact!
