Invacare®

Flo-tech PT Pelvic Belt Range

Maintaining Pelvic Support

INVACARE
Yes, you can.®

The *Invacare* ***Flo-tech PT range of belts*** provide comfortable effective postural support, enhancing pelvic stability. An aid to correcting postural alignment, these belts are a quality addition to the ***Flo-tech PT*** accessory range.

Invacare ***Flo-tech PT Pelvic Belts***

Pelvic belts are designed specifically to provide added stability and support to the pelvis. The *Invacare* ***Flo-tech PT*** belt range offers a choice of buckle and pull types to suit a range of requirements. All belts in this range as standard, have neoprene comfort pads, and are supplied with triple mounting plates and frame clamps to suit 1,9 cm (19mm), 2,2 cm (22mm) & 2,5 cm (25mm) tube sizes.

Safety

Postural harnesses are designed to provide support only and should not be used as a passenger restraint for transportation.

A separate passenger restraint should always be used in line with the recommendations of the wheelchair manufacturer.
